

# The Reason Behind the Genius of Dr. Peter S. Ruckman

[A chapter excerpted from the book "The Cosmic Bomb"]

*“He had read thousands of books including Greek philosophy and French infidelity. With a photographic mind he could read a page while I was turning to it. He had a tremendous radio voice, could sing, and was a most amazing artist...Peter Ruckman already had a degree from the University of Alabama but he went on to Bob Jones the next Fall to get his Master’s and his Ph.D...When he preached for us in my pastorates he always inspired our people to love God and to hunger to know more of the Bible...He is a genius in many respects. Dr. Bob Jones, Sr., said that Ruckman was the most brilliant man ever to set foot on the campus.”*

Pyle, Hugh F. The Time of My Life! Fort Pierce, Florida: Faith Baptist Church Publications, 1997, pp. 200-202.

“Dr. Peter S. Ruckman received his Bachelor of Arts degree from the University of Alabama and finished his formal education with six years of training at Bob Jones University (four full years and two accelerated summer sessions), completing requirements for the Master of Arts and Doctor of Philosophy degree.

Reading at a rate of seven hundred words per minute, Dr. Ruckman had managed to read about 6,500 books before receiving his doctorate, and he still reads an average of a book each day.

Dr. Ruckman stands for the absolute authority of the Authorized Version and offers no apology to any recognized scholar anywhere for his stand. In addition to preaching the gospel and teaching the Bible, Dr. Ruckman has produced a comprehensive collection of apologetic and polemic literature and resources supporting the authority of the Authorized Version of the Holy Scriptures.”

Dr. Peter S. Ruckman’s grandfather is General John Wilson Ruckman (1858–1921) who graduated from West Point (1883), the U.S. Artillery School (1892), the U.S. Army War College (1915), and the U.S. Naval War College (1916). He served as editor of *Journal of the United States Artillery* (renamed *Antiaircraft Journal*). He was nominated Brigadier General by Woodrow Wilson in 1916 and Major General in 1917. At the time, Major General was the highest rank in the Army. Ruckman was the only individual to command three of the six designated interior military Departments in the United States (Northeast, Southeast and Southern). *Who's Who in Military History* notes that Ruckman was the inventor of many devices related to field artillery that were useful in World War I. Congress awarded Ruckman the Army Distinguished Service Medal. Many streets were named after him in the Presidio and Fort Monroe.

“Info sent to me from Raleigh Coleman in 1967 from Salt Lake City states: Ruckman or Reukmann were of Israel-Hebrew stock.

Stephen Martin Ruckman was from a long line of Jewish Rabbis. When he became a Christian he was excommunicated and his records destroyed.”

Note:

Some info on descendants from a paper compiled by Raleigh O'Key Coleman, June 30th, 1967 in Salt Lake City. Paper claims Stephen Martin Ruckman was from a long line of Rabbis- and his family disowned him when he converted. [all records indicate his ancestors were baptist back to John Ruckman II (1635-1703). Gives the spelling Reukmann and says went back to Germany, Austria and Palestine. Believe the data on Stephen Martin Ruckman's descendants basicly acurate, but should be checked.

Coleman says born in 1850 in PA then moved to Indiana where he met wife then moved to Hatfield, Missouri (near Grant City) and had 12 children, a pair of twins who died in infancy, and 2 or 3 others who died young.

Dr. Peter S. Ruckman has a very low view of all apostate and unbelieving Jews such as Einstein, Freud, Marx, etc. because the ultimate standard, final criterion and practical yardstick of all these Jews are their depraved minds and diabolical preferences. Ruckman, on the other hand, rationally and firmly believed that the King James Bible which is the perfect word of God for this post-modern time must be the measure of all things.

In the Introduction of his autobiography (The Full Cup, 429 pp.), we read the following:

“What, then, is the point of wasting a few hundred pages to give you the ‘life history’ of such an insignificant character? Simple: mankind can always use a chronicle of the grace of God, and if you ever saw GRACE – absolute and total unmerited FAVOR – lavished on one sinner on this earth, you will see it in the life of Peter Sturges Ruckman – God’s joke on Christian scholarship. He lived twenty-seven years **‘alone in the world... without hope and without God’** (Eph.2:12). Then, after being **‘accepted in the beloved’** (Eph.1:6), he went another forty-nine years as Lord’s ‘junk yard dog,’ a sentinel placed at the doors of the *Authorized Version* of the Holy Bible to take the seat of the britches out of ‘godly’ scavengers who used the Book to make a living with when they didn’t BELIEVE it. May you enjoy partaking of **‘The Full Cup’** that God poured out for one very small, very base, very insignificant sinner, between 1921 and 1998.”

For a solid, historical, logical, and biblical defense of Israel and Jews, read Dr. Ruckman’s book “Israel: A Deadly Piece of Dirt” (532 pp.).

Now you know the reason behind why Ruckman is a true genius. Dr. Ruckman is a real genius because of the powerful GRACE of the Almighty God.
